**TUESDAY 10 July 2018**

**Term 2 Week 11**

**Issue No: 20**

### Message From The Principal Mrs. Tania Morgan

Kia orana

Two weeks until the end of this term and the pressure is on to ensure all students take the opportunities on offer to them.

A number of students have, and are participating in extra-curricular activities and are coming away with some fantastic results which they can be proud of. Te Maeva Nui celebrations are just around the corner with many of our students and staff involved and we wish them all the best for this.

Academic tracking remains at the forefront and all students will be issued with their updated results before the end of the week.

**KAITAIA COLLEGE AFTER THEIR WIN AGAINST RAROTONGA 18/U COUNTRY TEAM ON FRIDAY AFTERNOON—SCORE: 13—12 TO KAITAIA**

## Kaitaia College vs Tereora College 1ST XV

**1**st XV Rugby will kick off this Thursday 12th July at 1.15pm at the BCI Stadium. Tereora College boys will be going head to head with Kaitaia College. Come on down to the BCI stadium and show your support for the boys in their first game for the season.

## Turanga Vaevae DANCE CONCERT

**D**ue to maintenance of the National Auditorium stage, we had to postpone our Turanga Vaevae Dance Concert until Term 3; Thursday 23rd August. We do apologize for any inconvenience caused. On a positive note this will give ample time for our students to improve on their choreographies and performances as they will be wanting to aim for excellence. To our community members who have already purchased tickets please hold on to these as they are still valid. If you haven't purchased a ticket already feel free to pop in at our front reception desk as we are still selling tickets.

## SERVING OUR COMMUNITY

**A**s part of Tereora College's mission of developing excellence in citizenship '*Tangata Tira-tira Tu*' we will be observing a day where staff and students will be involved in serving our community.

Next Friday July 20 is our opportunity to invest in our community and the people who live in it with the purpose of giving back to our wider community by serving and making a difference.

Art work on display by our Year 9 students, they sure are a talented group of students.

## LEVEL 2 Horticulture Trip

Last Thursday our Level 2 Horticulture students went on a field trip to the Ministry of Agriculture. The purpose of their fieldtrip was to observe the practical demonstrations carried out by Mr. Edwin Apera on the different methods of plant propagation.

These students learnt techniques such as grafting, T-budding, marcotting and using rhizomes for propagation which was shown by the Agriculture officer. Students were debriefed by their teacher, and felt that they had learnt quite a lot from their excursion.

## Tye Dyeing With Our Year 9 Students

A class of creative Year 9 Art students had brightened up the school with their very colorful hand made tye dyed tops. An awesome display by a bunch of creative juniors we have here at Tereora College.

## Lynfield College Visits

Last Tuesday, we had the pleasure of hosting Lynfield College at our school as part of their cultural experience and tour of the Cook Islands.

Upon arrival student Piritau Nga greeted them with a traditional Turou as they made their way around into the seminar room for a short introduction. Our student leaders then lead our visitors on a quick tour of the school. Shortly after the tour, they made their way down to the outdoor learning area where they were taught how to play the pate and also make plates out of coconut leaves. Before the end of their visit, Lynfield College put on a Kapa Haka performance for our students. A lot of laughter and smiles were seen that day, in which both Tereora College and Lynfield students enjoyed themselves as they both got to learn more about each others cultural experience.

Meitaki maata to our Anau leaders for showing our guests around and also to our four CI Maori teachers who organized the activities.
