TUESDAY 12TH June 2018

Term 2 Week 7

Issue No: 16

Message From The Principal

Mrs. Tania Morgan

Kia orana

Meitaki ma'ata to our community that supported the learning conversations held between teacher/child/parent. These are an important part of the educational journey for all students and your support is appreciated.

I would like to take this opportunity to thank our Level 2 Health students who have been involved in raising awareness of different social issues within the wider community. They have presented on a range of topics and in different forms and are to be congratulated for taking a stand.

Our Facebook page hosts video clips that our students have made.

KIA TOA

WHATS ON THIS WEEK - TERM 2 WEEK 7

Monday	Normal School Day

ACADEMIC ANAU EVENT

This Friday anau teams will battle it out in the third anau event for the year.

Each anau will go head to head with students of the same year level answering a range of questions from different curriculum areas.

In 2017 Te Kou were crowned victors and will be wanting a repeat performance.

2017 Academic Anau Event in action within the Princess Anne Hall

ANNUAL BADMINTON COMPETITION

The 4th annual badminton competition for our junior students will take place on Thursday 5th July at the National Auditorium. Teams will be selected by the PE department and will then go on to represent the College. In the past Tereora College have performed exceptionally well and we look forward to seeing how this year unfolds.

Year 9 students display some of their Art projects made during this first rotation

A number of artefacts were looked at during the course of each session

Year 10 students out and about with the Archaeologists from the United Kingdom

Level 3 Hospitality class pictured wearing their new uniforms and holding up new cooking books donated by Auckland University of Technology (AUT)

Archaeologists Workshop

Last week we had the pleasure of having four archaeologists visiting from the UK.

The group visited our Year 10 students to help them understand and interpret the cultural heritage of the Cook Islands.

Our students were involved in a number of activities including looking beneath the soil, making 3D photos and mapping heritage.

There was equipment available to help make discoveries within the school.

Career Opportunities

POPO Foundation Scholarship

This program is for Pacific Students who are intending to study the Health Sciences First Year course at Otago University. It is a foundation course designed to prepare students for highly competitive HSFY and support including academic mentoring.

Applications are now open online at www.otago.ac.nz/pirssu.

Applications close 30th August, see Ms. Wildash for further information and to request a school reference.

New Zealand DefenCe Force

Mark Dunn the NZDF recruiter will be in Rarotonga, the week of the 25th June. He will be delivering a presentation to students and available to answer questions and advise on the recruitment process for Army, Navy and Airforce.

Students who are thinking of applying to the NZDF this year, should see Ms. Wildash urgently if they wish to undergo their aptitude and physical testing at this time.

WORK PLACE OPPORTUNITIES

Trainee Pharmacy Technician

This opportunity includes on the job and night school training and the possibility of a real career path in the Cook Islands.

Candidates need to be mature and willing to learn, with good maths and solid communication skills - preferably in English and Cook Island Maori.

See Ms. Wildash for help in preparing a CV or for more information.

Interns at Te Aponga Uira

A possible opportunity for 4—6 senior students with a strong Science/Mathematics background wanting to spend the school holidays working as interns at Te Aponga Uira. Students interested, please see Mrs Morgan for further details.

Newsletters are emailed out each week to parents/caregivers and are available in hard copy from the school office each week
