MESSAGE FROM THE PRINCIPAL

Kia orana tatou katoatoa
Last Friday I took the opportunity to attend the launch of To Tatou Vai along with Mona Ngaau and Amy Wildash.

A number of Government officials, Board Directors and Landowners

were present at the launch as they bid farewell to Brent Manning and welcomed in the new CEO Greg Longman. Over the past week we had entered into discussions with Brent Manning around opportunities for our students. It was announced during the launch that students from Tereora may be offered internships with To Tatou Vai along with scholarship opportunities that will align with the vision of To Tatou Vai.

Ms Amy Wildash will be instrumental in co-ordinating this and we look forward to seeing our students take up what is being offered.

COURSE OUTLINES

Course Outlines and assessment key dates will be issued to all students once the data analysis of all courses have been undertaken.

A lot of work has gone in to our course programmes to ensure that they are going to best meet the needs of

our learners for the current year.

Please ensure these are shared with you; if you have any queries please do not hesitate to contact either your child's anau teacher or the College on +682 23-819.

COURSE FEES

Invoices for school and course fees will be distributed this week to all students. School fees have been set at \$50.00 per students; \$80.00 for two students and \$100 for three or more students within a family.

In addition to this, course fees will also apply—with fees being used for any take-home components associated with each course.

EDUCATION OUTSIDE THE CLASSROOM

A number of courses offered at Tereora College have a number of learning opportunities that will be held outside of the classroom.

Work experience for students within our academy programmes normally take place in Term 2 of the academic calendar, however

there are many more opportunities that our students have throughout the year to be involved in EOTC.

Our Level 3 hospitality students recently visited the Cook Islands Culinary Championships; the Level 3 Dance group are out on location and this week the Level 3 Business class are

involved with E-Day (Enterprise Day) hosted by the Chamber of Commerce.

The Year 10 students will be involved with their physical education classes which are being taught over a 2-hour block.

Outside sporting codes are supporting this, and this week will see the start of the Paddling programme, Badminton and Rippa rugby.

COOK ISLANDS CULINARY CHAMPIONSHIP

Level 3 Hospitality students—visiting Maire Nui Drive

Our Level 3 Hospitality students took the opportunity to see some of the professionals in action at the Cook Islands Culinary Championship held on Friday.

Each chef had to execute a 5-course menu, in a cooking time of 100mins.

The hospitality students were able to make the important links of what is being taught through their course, to seeing this in action.

No doubt the day has provided inspiration for our budding chefs and we look forward to watching their development.
