Newsletter #7 2018

Wednesday 21 March

Week 8, Term 1

## Message From The Principal

Kia orana

Week 8 is well underway for us and we still have a number of planned activities that will take us to the end of Term 1. Most students should have had assessments completed by now with grades returned and feedback given. It will be an opportune time for students to start tracking their progress and make adjustments where necessary.

Our College culture team has just returned from a very successful time at the annual ASB Polyfest in Auckland (*full story and photos in the next week's edition of the newsletter*).

Kia Toa e Kia Manuia,  
Mrs Tania Morgan (Principal)

## Tabloid Sports Day

**A** fun tabloid sports day where Anau and year groups compete for points, mana and glory!

The event will be held this Friday 23rd March at Ngatangia Field—8.30am start.

Four activities will be run throughout the day and each year group will get an opportunity to do each activity. The activities are SUP Relay, Soccer, Rippa Rugby & Volleyball. Buses will be available and will leave school for students who would normally walk to school, or get dropped off.

## WHAT'S ON

Week ending Friday  
23rd March

MONDAY	Normal School Day
TUESDAY	Polyfest Team Return 12.30am
WEDNESDAY	Peer Support Program Year 9
THURSDAY	Anau Event Practice
FRIDAY	Tabloid Sports Day 8am Start, Ngatangia Field

**Newsletters are emailed out each week to parents / caregivers and are available in hard-copy from the school office each week**

## Students To Represent at the East Pacific Junior Qualifying Championship

**T**wo of our students have been named to represent Tennis Cook Islands at the forthcoming East Pacific Junior Qualifying Championships to be held in Samoa commencing on the 9th April 2018.

As a result of their conscientious and hard training throughout the year, Te Akaiti Toa and Arikitoa Allsworth have consistently produced results which have now earned them the distinction of qualifying for this event. A good performance at the East Pacific Junior Qualifying Championship will earn them selection into the Oceania Junior Championships to be held in Fiji August 2018. On behalf of the College, we extend our best wishes to you both.

## Homework Club

Our after-school 'Homework Club' are run every Tuesday and Thursday afternoon from 3.00pm—4.00pm. These sessions will take place in our research centre at Tereora College.

## Math Support Classes

**I**n addition to our weekly homework club there is additional support with "Mathematics" - held each Thursday between 3.15pm - 4.00pm.

These after school classes are for mathematics students who need that little extra support.

Please parents, take advantage of this opportunity and assist your child by allowing them to attend the classes on offer.

**Mr Daniela - (co-HoF Mathematics)**

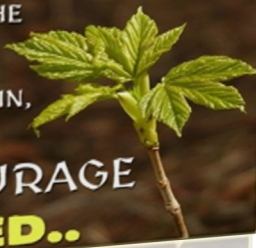

DREAMS  
*Don't*  
*Work*  
Unless  
YOU *Do.*

IF YOU  
HAVE THE  
**COURAGE**  
TO BEGIN,  
YOU HAVE  
THE COURAGE  
TO **SUCCEED..**

## Future Marine Biologists

**Y**ear 13 Biology students Konini Rongo and Bella Smith had the opportunity to encounter a day in the life of a marine biologist earlier this term. This is what they had to say about the experience:

On Thursday the 8th of March we had the privilege to spend the afternoon with marine biologist Jessica Cramp who is currently studying towards her PhD. Her research is looking into whether large marine reserves protect sharks that travel long distances. We got to go out on a boat, prepare bait, deploy cameras, learn how to take GPS points and analyse the footage taken. We can proudly say that one of our cameras was able to take footage of a grey reef shark. It was an amazing experience for both of us and we cannot wait to go out again.

A huge meitaki maata goes out to Jessica Cramp and her team who allowed our Tereora College students to experience a day in the life of a marine biologist.
